To see all the Greek words rendered "strong" for example in the KJV, do a search here in KJC.

The screenshot shows the E-Sword interface with a search window open. The search term is "Joyful Joy". The search range is set to "Entire Bible". The results list shows 320 verses found, 10 words, and 351 hits. The "Convert Search to Verse List" dialog box is open, showing a list of search results with checkboxes next to each entry. The dialog box has two options: "Create" and "Add to". The "Create" option is selected, and the text "Joyful Joy' search results" is entered in the adjacent field. The "Add to" option is unselected. The list of search results includes:

Below the list, the text "Gen 18:12 Therefore Sarah laughed within herself, saying, After I am waxed old shall I have pleasure, my lord being old also?" is displayed.

E-Sword has a powerful Bible search that searches for all words, any words, phrase (must be exactly as written), partial match, include synonyms, exclude word(s) from the search, etc.

Add search results to a verse list by pressing this button. Choose which to add by checking squares.
